The Group has carried out a valuation of all investment properties owned by the Group as at 31 December 2012. The valuation was prepared by D.T.Z Qatar L.L.C., a certified valuer, specialized in the valuation of real estate and similar activities. The valuation has been prepared in accordance with the appropriate sections of the Practice Statements (“PS”) contained with the RICS Valuation Standards, 6th Edition (the “Red Book”). The methods used for valuation of investment property are disclosed in the consolidated financial statements for the year ended 31 December 2012.

The Group has not appointed an independent valuer to revalue its investment property as of the reporting date. Management having the experience and knowledge either real estate market, believes that the carrying amounts of investment property are not materially different from their fair values at the reporting date.

9. AVAILABLE FOR SALE INVESTMENTS

Concentration of investment portfolio

Concentration of investment portfolio arises when a number of investments are made in entities engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would be affected by changes in economic, political or other conditions. The Group manages this risk through diversification of investments in terms of geographical distribution and industry concentration. The industry and geographic concentration of the investment portfolio is as follows:

12. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period by the weighted average number of shares outstanding during the period.

	3 Months ended 31 March 2013 (Unaudited)	3 Months ended 31 March 2012 (Unaudited)
Net profit for the period (in QR 000)	252,719	143,874
Weighted average number of shares outstanding during the three months period (in thousand shares)	<u>2,652,967</u>	<u>2,652,967</u>
Earnings per share (expressed in QR per share as calculated for three months of the year)	<u>0.10</u>	<u>0.05</u>

There were no potentially dilutive shares outstanding at any time during the period. Therefore, the diluted earnings per share are equal to the basic earnings per share.

13. SUBSEQUENT EVENTS

In the General Assembly meeting held on 7 April 2013, the shareholders approved the declaration for cash dividend distribution of QR 344,825 thousands (QR 0.13 per share) from the outstanding retained earnings as at 31 December 2012, which was proposed by the Board of Directors in their meeting held on 18 March 2013.

14. COMPARATIVE FIGURES

Certain comparative figures in the unaudited interim condensed consolidated statement of comprehensive income were reclassified to match with the current period's classification. These reclassifications did not have any effect on the net profit and comprehensive income for the comparative period.
